

Let's go to High School!

~ The 11th High School Counseling Information Seminar
for non-native Japanese students and their parents ~

We will be holding another seminar this year that explains to non-native Japanese students and parents about the preparations they will need to take in order to take a high school entrance exam and become a high school student. We hope that you can participate!

Ask about a
Japanese high
school!

Come and join
with your
mother and
father!
